To Whom It May Concern:

This letter is in response to the DBE certification status of **SETTIMIO CONSULTING SERVICES, INC.** This firm is currently still certified as a Georgia Uniform Certification Program DBE/ACDBE participant. Their file is currently in the process of being reviewed for their certification continuation. Once a firm is certified with the Georgia Department of Transportation in the DBE/ACDBE program, they retain their certification until such time as they are notified of graduation, denial or decertification and consequently removed from the DBE/ACDBE monthly directory. You may continue to use this firm until the completion of any current projects as well as use them for any upcoming projects if you choose to do so.

If you need additional information regarding their certification status please do not hesitate to give me a call at (404) 631-1285.

Sincerely,

*Yolanda Colzie, MBA*
